**AUDIT CERTIFICATE** 

I have examined the Receipts and Payments Account and Income and Expenditure Account for the year ended 31

March 2005 and the Balance Sheet as on 31 March 2005 of Insurance Regulatory and Development Authority, Hyderabad.

I have obtained all the information and explanations that I have required, and subject to the observations in the appended

Audit Report, which inter-alia, contains following major audit observation-

The receipts of Rs. 85.79 crore were held in bank accounts in violation of the directions of the

Ministry of Finance for keeping these funds in the Public Account of India (Paragraph 2.1.1);

I certify, as a result of my audit, that in my opinion these accounts and Balance Sheet are properly drawn up so as

to exhibit true and fair view of the state of affairs of the Insurance Regulatory and Development Authority according to

### **AUDITOR'S REPORT**

### AUDIT REPORT ON THE ACCOUNTS OF INSURANCE REGULATORY AND DEVELOPMENT AUTHORITY FOR 2004-05

### Introduction

The Insurance Regulatory and Development Authority (Authority) was established on 19 April 2000 under Insurance Regulatory and Development Authority Act, 1999 with its headquarters at New Delhi, which was shifted to Hyderabad in August 2002. The audit of the accounts of the Authority is conducted under Section 19(2) of the Comptroller & Auditor General's (Duties, Power and Conditions of Service) Act, 1971 read with Section 17 of the IRDA Act, 1999.

### 1. Sources of receipts and expenditure

During the year 2004-05, the Authority's receipts were Rs. 52.59 crore, mainly from fees received from various insurance companies/ agents on account of registration, renewal charges and income on investments etc. The expenditure of the Authority was Rs. 9.61 crore which was mainly on establishment, tours, rent etc.

### 1.2 Funds

The receipts of the Authority are being held in bank accounts despite directions of the Ministry of Finance for keeping the funds in Public Account of India in non-interest bearing account. As of 31 March 2005, funds amounting to Rs.103.26 crore were kept in interest bearing deposits with scheduled banks.

The Authority stated (October 2005) that the matter had been taken up with the Ministry of Finance and their response was awaited.

### 2. Comments on accounts

### 2.1 Balance Sheet Liabilities

### 2.1.1 IRDA Fund - Rs. 8.93 lakh

As per Section 16 of IRDA Act, 1999 all the Government grants, fees and charges received by the Authority are to be credited to IRDA fund after meeting day to day expenses. The Authority had, however, credited the IRDA fund only to the extent of Rs. 8.93 lakh, which represented the value of assets transferred by Interim Regulatory Authority during the year 2000-01. The surplus funds after meeting

the expenditure were instead kept in accounts under the head 'Surplus Funds'. The balance of surplus funds as on 31 March 2005 was Rs. 85.79 crore, which should have been transferred to IRDA fund.

Though this matter was also pointed out in the audit report of earlier years, the Authority had not credited the surplus to the IRDA fund. The Authority stated (October 2005) that the matter had been taken up with the Ministry of Finance and their reply was awaited.

### 2.1.2 Understatement of liabilities

Life Insurance Corporation of India, New Delhi (LIC) had demanded (March 2005) from IRDA Rs. 1.14 crore towards arrears of rent for various buildings hired from LIC in New Delhi, for the period 2000-01 to 2004-05. The Authority worked out (July 2005) Rs. 53.30 lakh actually payable against the above demand and paid it in August 2005 on its own without settling the issue with LIC. As the amount is in dispute, contingent liability should have been disclosed in the accounts by way of notes to accounts.

### Assets

### 2.1.3 Current Assets - Rs. 203.05 crore

The current assets included Rs. 66.51 lakh on account of establishment expenditure incurred on behalf of Pension Fund Regulatory Development Authority (PFRDA) and have been treated as an advance recoverable from the PFRDA. The position in this regard could not be verified in audit, as the figures have not been reconciled with the PFRDA as on date.

The current assets also included Rs. 13.18 crore advanced to Prasar Bharati for advertisement purposes during 2002-03 & 2003-04. This amount needs to be adjusted in the accounts since Prasar Bharati had already rendered adjustment bills against the advance during the financial year 2004-05.

### 2.1.4 Incorrect classification of development expenditure

Rs. 10 crore was booked in the Income and Expenditure Account under the head 'Development expenditure' for the year 2002-03 on account of contribution to the Institute of Insurance and Risk Management (IIRM), a Joint Venture Company promoted by the Authority in

collaboration with Government of Andhra Pradesh. This amount was wrongly booked under the head 'development expenditure' instead of depicting it as asset in the Balance Sheet under "investment – others

(Subsidiaries and Joint Ventures)".

Despite a comment in Audit Report 2003-04, the Authority did not take corrective action to depict the amount as assets in the Balance Sheet.

General

### 3.1 Accounting Policies and Notes on accounts

In Para No.3.1 of the Audit Report for the year 2003-04 regarding codification of accounts it was suggested that necessary codification of account heads should be carried out for better results. However, it was noticed that the codification has not been carried out.

Place: New Delhi Dated: 14.12.2005

### 3.2 Internal Audit

The Authority has not established any internal audit wing of its own and the internal audit assignment had been outsourced to Chartered Accountants. The Authority is advised to establish its own internal audit wing managed by its own staff.

### 3.3 Physical verification of fixed assets

The Authority has fixed assets worth Rs. 83.73 lakh as per Balance Sheet as on 31.03.2005. It was, however, observed that physical verification of fixed assets for the year 2004-05 has not been conducted and obsolete, unusable, irreparable, condemned or lost assets if any were not identified and excluded from the fixed assets account there by not giving the correct picture.

### 3.4 Net impact

The net impact of the audit comments given in the preceding paragraphs is that the liabilities were understated by Rs. 1.14 crore.
